Will She Be The Purple Heart Queen?

Miss Maxine Clark, a Daly City girl, well may be the Purple Heart Queen for San Francisco if business associates, relatives and local friends back her up by making their blood donations during the period ending March 1 and casting a ballot for her at the time of their donation.

Ballots may be obtained from Maxine at GARfield 4120. Appointments at the blood procurement center, 2415 Jones street, will be made by Maxine for the donor or direct appointment with the center may be made by calling GRaystone 9373.

Object of the contest, sponsored by the San Francisco Call-Bulletin, is to increase donations of blood to meet the rising needs of the armed forces. Miss Clark, who has served at the Stage Door canteen as a hostess and taken an active part in all War Bond drives, is undertaking her most ambitious war service program to date in entering this contest and she asks the support of local people.

A graduate of Jefferson Union high school, Miss Clark lives at 16 Cavour street, with her sister, Mrs. Joseph Cunningham. She is secretary to John Harvey, credit manager at the Westinghouse Electric Supply company, San Francisco. It is as the Westinghouse entry that she is entered in the contest.

Girl Scout Council To Meet February 6

Daly City-Colma Girl Scout Council will hear a report from the leaders' association at its meeting Tuesday night, February 6. Mrs. Stella Jensen, commissioner, will call the business session to order, 8 p. m., at the home of Mrs. Hilda Heagney, 117 Miriam street.

Possible meeting places for local Scouts and Brownies, summer camp plans, and the organization of new troops will be discussed, following the outline of these problems as presented by the leaders' group.

The leaders held their meeting Monday night, January 29, at the home of Mrs. Betty Eschenauer. Mrs. Muriele Pabst presided. Their next session will be held Monday night, February 26 at the home of Mrs. Cecelia Hale, 599 Crocker avenue.

New Postal Notes Placed On Sale Today

Postmaster William H. McCarthy has announced that the new Postal notes will be on sale at all regular stations starting today, February 1.

The new postal note is designed as a safe, convenient and economical way of sending through the mails amounts of money not exceeding \$10. Simplified methods of sale and accounting make it possible to handle the notes at a uniform fee of 5 cents. The conventional money order is not being displaced by the new note.

Daly City's post office is located at 6251 Mission street.

Councilmen To Hold Special Meet Feb. 5

Mayor A. J. Gaggero announces that there will be a special meeting of the city council Monday night, February 5, to consider the granting of a blasting permit at the Daly City quarry. Formerly the Market Street railway held a permit to blast in this quarry and the right would simply be transferred to the new operators, who also handle the Rockaway quarry on the Coast side.

The Daly City quarry has recently been discussed as a possible site for the post-war memorial building. However, no decision on that matter will be made until the rock is removed and the site in order, Gaggero said.

The special meeting will be called to order at 8 p. m. in the council chambers, 75 Wellington avenue.

Four Local Men On Planning Group

John Degliantoni and A. J. Gaggero represent Daly City and E. A. Weisenburger and Frank Garibaldi, Colma, on the planning committee of the San Mateo County chapter of the American Red Cross War Fund drive, this year.

At the initial meeting of the group announcement of a \$230,000 quota for the county was made. Chairman of the War Fund committee for 1945 is Daniel O'Connell.

Heads Student Body

Don Welsh had reason for this big grin when fellow students at Jefferson Union high school elected him to be president of the student body for the 6 months term ending in June, 1945. He's the son of Mr. and Mrs. Raymond Welsh, 543 Hanover street. A senior graduating with the class of June '45, Welsh has had experience in executive duties as prexy of the junior class and of the sophomore class. He belongs to the Block J society and has been on both the basketball and football teams.

Other officers for the new term, inaugurated with Welsh, January 26, were Roy Lundgren, vice-president; Frances Crossley, secretary; Louise Ross, treasurer; Ray Chelone, sergeant-at-arms; Jack Palm, judge; Doris Hahn, yell-leader.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Private First Class Victor C. Drago, 163 Moltke street, has arrived in the United States on furlough from the Asiatic-Pacific Theater of Operations where he served 25 months with the Army Quartermaster Corps.

Announcement of his return from the battle area was made by the Army Service Forces at Fort Douglas, Utah.

George Schenone, Colma, has been home on short leave after completing training at San Diego Naval Training station. He is now a seaman second class with the U. S. Navy. He returns to San Diego, Friday, February 2.

Gilbert DeGuerre, son of Mr. and Mrs. Harold DeGuerre, 435 Winchester street, is now serving in the Pacific area with the U. S. Navy as an aviation radio man. He earned his wings a year ago at Memphis, Tennessee, as a crewman in the Ferry command. Later he trained in Miami, Florida, on a Torpedo Gruman Avenger.

While in Florida, his wing earned a Presidential Citation for patrol duty off the Cuban coast.

DeGuerre said he'd like to hear from former friends at Jefferson Union high school, from which he was graduated. He took his boot camp training at Farragut. Before enlistment he was attending San Mateo junior college.

Barbara J. Hill, 20, daughter of Mr. and Mrs. David McCoy, 193 Hillcrest drive, Daly City, was enrolled recently at the Naval Training School (Yeoman-W) on the Iowa State Teachers College campus, Cedar Falls, Iowa.

This member of the Women's Reserve was selected for her special training on the basis of her recruit training aptitude tests and past civilian experience. The course of yeomen study includes shorthand, typing, Naval correspondence, records and forms, and current events.

When this Wave successfully completes her theoretical course she will be sent to other duty stations where, after actual experience in a practical Navy job, she will have the opportunity to qualify for a petty officer rate.

Mr. and Mrs. David M. Johnstone, 6238 Mission street, have received word that their son, Sergeant David H. Johnstone, is recuperating at a hospital in England from wounds received in action during the big German push into Belgium a few weeks ago. In a recent letter to his wife, the former Miss Florence Ruggerio, San Francisco, he said he expected to be up and about soon. He was taken back to England with other wounded American fighting men by plane.

Sergeant Johnstone's cousin, T-5 George Harvey Phelan, son of Mrs. Kathryn Phelan, 3339 San Jose avenue, has left for overseas duty. He had been stationed at Fort Benning, Georgia. Both of these Daly City men have been in the armed forces for more than two years.

Sergeant Johnstone is the brother of Margaret Pettigrew and Mrs. Grace Bacigalupi, long-time Daly City residents.

At a 12th AAF B-25 Base — Twenty-five combat missions is the milestone recently passed by First Lieutenant John F. Freund of Daly City, at a B-25 Mitchell bomber base on Corsica where he is flying as a navigator, it was announced by the Twelfth Air Force.

The Daly City navigator has participated in many of his Group's outstanding missions in the Mediterranean theater. One of them was the New Year's Day attack on a Kraut ammunition and storage dump in Northern Italy. The B-25s left the target devastated with fires and explosions that could be seen for many miles. Few Exceptions For Men 26 To 30

At the direction of State Selective Service headquarters, Daly City Draft Board No. 103 is preparing to induct all 2A and 2B men between the ages of 26 and 30. Mrs. Isabelle Flynn, chief clerk, explained that orders sent the board make exceptions of only physicians, dentists, men in scientific fields, policemen, and firemen.

The 2A registrants will all be notified to take their pre-induction physical examinations in February and testing of 2B men will follow. No specific notifications are being sent these men as the new plan was to go into effect at once. Arrival of notices to report for pre-induction physicals or that their status has been changed to 1-A will be forwarded as rapidly as possible to these men, Mrs. Flynn said.

Twenty-one men from this area will be inducted February 14. A pre-induction physical examination is scheduled for February 22, at which time 54 men are to report from this board. In addition, a supplemental call for men to take pre-induction physicals is expected.

Saturday morning, January 27, Mrs. Flynn attended a special meeting in San Francisco to receive instructions on the new plan for the immediate induction of 2A and 2B men.

Outline Ambitious Post-War Program

Daly City representatives heard an extensive highway building program for the San Francisco Peninsula discussed at the January 25 meeting of the Peninsula division, California League of Cities. They returned with enthusiasm for the proposed postwar transportation plan which would take care of all angles of mass transportation by bus and rail, road and freeway development, automobile parking and airport development.

Local men at the conference, held at the Beresford County club, were Mayor A. J. Gaggero, Councilmen Edward Dennis and Howard McHugh, Water Department Superintendent Arthur J. Bodien, and Engineer R. A. Klasse.

The report, made by the transportation committee, of which L. V. Newton, San Francisco transportation expert is chairman, stated:

"Adequate, fast transportation to our Peninsula cities is a 'must' in the post-war period. It may be reasonably expected that the post-war transit plan of San Francisco will provide for a high speed electric interurban line to San Mateo."

Proposals included the widening of El Camino real from Redwood City to San Francisco; extension of Junipero Serra south to Millbrae and of Alameda de las Pulgas north to Crystle Springs road; cross-connecting arterials between Bayshore highway and Skyline boulevard with underpass or overpass crossings at railroad and interurban tracks and at main highway intersections. Only objection heard to the over-all report was from San Bruno citizens who disapproved the suggested San Bruno avenue underpass as part of the Junipero Serra improvement.

BOY SCOUT WEEK

There are few, if any, observances during the year in which the American people share more enthusiastically than in Boy Scout Week which runs from February 8 to 14.

The Boy Scouts of America with their nearly two million members are one of the most potent forces in the nation today in the fight against juvenile delinquency.

The training which our youths receive through this splendid organization turns their thoughts toward constructive lines and helps to develop a sound moral foundation on which to build their lives.

A review of their war activities shows that the work of the Scouts has been outstanding on the home front. War Production Board Chairman J. A. Krug reported that 85,000 Scouts and Cubs each accounted for 1,000 pounds or more of waste paper during the paper drive in 1944.

Probably one of the greatest benefits which the Boy Scout movement is achieving on behalf of humanity is the development of a genuine sense of tolerance among the rising generation. The spirit of fellowship which permeates their meetings and activities enables boys of all nationalities to work together in a unity where the artificial barriers of class, race and creed do not enter in.

In this, the boy scouts are truly building the "One World" which mankind is seeking. In this, they are helping to destroy the hatreds and misunderstandings from which arise the persecution and abuse of minorities.

For a great work done, and being done, America salutes her Boy Scouts.

Friday's Fines On "Small" Side

Fifty dollars was the largest fine meted out at city court session Friday, January 26, by Judge William J. Sweeney. It was paid by Gilbert Mullen, 1412 York street, San Francisco, found guilty of disturbing the peace and being drunk in a public place.

All other fines were for traffic violations. Harry Bagley, 17 Peoria street, paid \$7.50 for speeding; Paul Baxter, 187 Third street, San Francisco, \$25 for speeding (60 miles); Russell Beauchamp, 112 Santa Barbara avenue, Daly City, \$7.50 for speeding and disregarding a signal; Albert Scherzner jr., 1402 Shrader street, San Francisco, \$1, ignoring an arterial stop.

Giuseppe Balanesi, 2067 Nineteenth avenue, San Francisco, paid \$1.50 for failing to observe an arterial stop; Fred Barker, 795 Turk street, San Francisco, \$10 for speeding; Mock Jim, San Bruno, \$5, stopping in pedestrian cross walk and disregarding a signal.

George McLean, 1745 Ellis street, San Francisco, paid \$2.50 for ignoring a signal; Mrs. Merritt Robison, 1900 Vallejo street, \$5, speeding; Douglas Stitt, San Mateo, \$7.50, speeding on a motorcycle, cutting in and out of traffic, muffler.

Teen-Age Center Plans Feb. 2 Dance

Jefferson Union High School P. T. A. has assumed responsibility for providing patronesses for the Daly City Teen-Age club, No. 5 firehouse, for the Friday nights when the high school crowd uses the recreation center. Mrs. Anne Eason and Mrs. Maisie Boyle, city recreation committee chairmen who organized the youth canteen project, report that the unit speaks highly of the conduct of the teen-agers.

As for the teen-agers themselves, they have a lot of fun as is evidenced by the excellent attendance at the Friday night dances.

There will be a dance for the high school students Friday evening, February 2, and plans are in the making for a Valentine party Friday night, February 9.

PAY NOW!

With a warning to "pay now or pay double later," the Department of Motor Vehicles today reminded California vehicle owners that next Monday, February 5, is the last day upon which applications for the 1945 black and white license plates may be filed without payment of a penalty.

Penalties equal to 100 per cent of the registration fee and 50 per cent of the vehicle license fee are due on late comers at midnight, February 5. Applications sent by mail showing postmarks earlier than midnight will be filled without penalties.

Vehicle owners are advised to avoid penalties by going to the nearest office of the department and purchasing one of the new plates or by mailing a money order for the amount of the fee and the 1944 Registration Card to the department. The San Francisco office is located at 160 South Van Ness avenue.

Keep Ambulance

Arthur Bodien represented Daly City at a meeting on San Mateo county ambulance service in the office of Executive Fred Peterson, last Wednesday. At that time he was given assurance that the county-owned ambulance now based at Daly City would be left here. In addition it is planned to station another ambulance at Community hospital for emergency cases.

The ambulance here will be expected to answer any calls in the district including Highway 101 down to Baden crossing, South San Francisco, on Junipero Serra boulevard, and on the Coast highway to Sharp Park.

Both Peterson and Dr. Charles Gans praised Daly City's operation of the emergency ambulance.

Tentative plans are being made to install a communications system in the ambulance, making it possible to direct the men after they have left local police headquarters if later information or requests are received.

Police Investigate Several Incidents

Officers of the Daly City Police department had a respite from the more gruesome facts of life, during the past few days. Calls were confined to family arguments, malicious damage to property, minor accidents, and ambulance trips.

Six rabbits were stolen from the yard of the Bricker residence at 313 Peoria, January 24. January 25 at 3:10 p. m., Dean Wood and Joyce transported a woman from Lindenville to the Community hospital. Later, on the same date, Wood and Emil Bertelli were dispatched with the inhalator in Company 1 firetruck when Ben Kellmann, South San Francisco, needed immediate administration of oxygen at his doctor's office. Later the man, suffering from asthma, was transferred to Community hospital in a Daly City Police car. The officers gave him oxygen enroute. At the hospital he was placed in an oxygen tent.

January 27, Officers Roland Petrocchi, George Savage, and Edward Beecher investigated when some unknown person telephoned the office to say that rocks were being thrown at the residence of H. W. A. Rickmann, 421 San Diego avenue. Later, at 7:55 p. m., the same thing occurred. Officers are attempting to find out who was guilty of the destruction.

Virgil O'Dodd, 426 1-2 West Linda Vista avenue, and Suther G. Dunaway, Oakley, were involved in an auto accident in front of 6053 Mission street, January 28 at 12:15 a. m. Officers Roy Beecher, Edward Beecher, and James Welsh investigated but had only property damage to report.

January 30 at 12:06 a. m. officers assisted Paul Supanick, 363 Woodrow street, in the recovery of a purse which he had lost at the theatre.

Four Italians Pay Visit To Colma Area

The Army Service Forces at Camp Roberts, California, announced January 23 that four Italians would visit Colma, January 27-29. The men were accompanied by an enlisted U. S. Army man who was responsible for the group and acted as interpreter.

The four were members of an Italian Service unit. They were clothed in American uniforms, identified by a green brassard worn on the left sleeve which had on it the word "Italy."

"IT'S NICE"

"It's new. It's nice."—That's the slogan of Mission Food Lockers, 60 Station avenue, Daly City. The plant, first of its kind in this area, offers a unique food preserving system to Daly City and Peninsula residents.

Managers of the firm, housed in the completely renovated Mission Ice company building, point out that Victory garden produce may be stored without canning fuss. The quick freeze system is excellent for meats and game, too, they added.

Several hundred local people had signed up for lockers even before the plant opened. For the convenience of those who have not investigated the possibilities of the new system yet, the office is open Sundays as well as through the week.

"Fun Time" Comes To Curran Theatre

"FUN TIME," a super-deluxe variety revue and the sixth in the series of Producer Paul Small's "Time" hits, is now playing on the stage of the Curran theatre, San Francisco, for a limited engagement.

Featured Broadway names are included in the cast.

With Martha Raye's hilarious clowning and singing, "Fun Time" should add another niche in Paul Small's ladder of success and prove the smash hit in the field of comedy entertainment on the stage today in the same manner as his other attractions blazed a trail of laughter from the Curran theatre to the Gay White Way in New York.

During the run of "Fun Time" performances will be presented nightly including Sundays. Matinees will be given on Wednesday, Saturday and Sunday at 2:30. There will also be a special 5:30 p. m. matinee, Sundays. All mail orders will be given prompt attention.

AT JEFFERSON

Last Thursday morning, Jefferson elementary held its yearly March of Dimes parade. A 11 grades from kindergarten to high eighth, marched down the long hall to music played by one of the teachers. At each classroom door stood a child holding a Wishing Well or container of some sort. As the children re-entered their rooms, they dropped their dimes and received their highly prized lapel emblems from their teachers.

The High Fifth pupils are having an exhibition of work done in connection with their Communication Unit. The children have made some excellent note books, which are on display with models of airplanes, trucks and ships.

AT DALY CITY

Joel McCrea and Humphrey Bogart in a tense scene from the Samuel Goldwyn production, "Dead End," now at the Daly City theatre.

Registration Opens Feb. 5 At Jaysee

Monday, February 5, San Mateo junior college will have registration of new and former students for the spring semester and start class work the next day. In the meanwhile the Adult Center is going right along with its program. Tuesday evening, February 6, it is starting a new section with its Home Planning Institute. This weekly meeting will have prominent architects, builders, lighting and landscaping specialists address the group, telling about building and outfitting the home.

As San Mateo starts its new spring semester, a number of adults of the Peninsula are planning to attend the college day classes to take courses either for college credit or as auditors. Adults are welcome to attend these courses, and can take any subjects they wish.

"Dead End" Film Based On Stage Hit

"Dead End," Samuel Goldwyn's film production based on the Broadway stage hit by Sidney Kingsley, is now playing on the screen of the Daly City theatre, with Sylvia Sydney, Joel McCrea and Humphrey Bogart in the leading roles.

This powerful drama of a day in the lives of a handful of humans who inhabit a "dead end" city street, where fashionable apartments rub elbows with the squalid tenements of the waterfront, which set records in its Broadway run and was cheered from Coast to Coast, reaches even greater heights in the film version.

Sylvia is seen as Drina, the slum girl who is battling desperately to raise herself and her small brother Tommy to a better life; McCrea plays Dave, the poor architect she loves, who, in turn, loves Kay, (Wendy Barrie), who has found a way out of the slums into luxury and won't return even for love; Humphrey Bogart is seen as Baby Face Martin, the gangster with a price on his head, who braves death in the slum where he was spawned only to find that his own mother hates him and that Francy (Claire Trevor), his boyhood sweetheart, has taken life the easiest way. Allen Jenkins is seen as Hunk, "Baby Face's" henchman, and the Dead End kids from the original New York stage cast, Billy Halop, Gabriel Dell, Bobby Jordan, Huntz Hall, Leo Gorcey and Bernard Punsley, relive their famous characterizations of Tommy, "T. B.," "Angel," "Dippy," "Spit" and Milt.

AT CROCKER

The pupils of Room 2 were pleased when they won the War Stamp banner, last week.

The students of Room 3 are proud of their scores on the class spelling chart. Each week approximately 75 per cent of the class attain perfect scores.

The students of Room 4 have shown a very keen interest in the "Story of Lighting." They have also drawn some interesting pictures pertaining to the story.

ONE ALARM

Only fire alarm in the past several days came in at 1 p. m. Saturday, January 27, from Box 16 at Flournoy street and San Jose avenue. Companies 1, 2, and 4, accompanied by Chief Andrew P. Chesney, Assistant Chief Arthur Bodien, and Battalion Chief Elmer Kennedy, responded.

It was a false alarm and men and equipment had been needlessly summoned.

Better—or Just as Good?

MOST of us aren't satisfied with buying—or growing or manufacturing—something that's "just as good." We want something better. And, in most cases, that something better comes through competition.

For competition—real competition—is something besides two people making, or offering for sale, the same goods or services. It involves a lot more. And anybody who serves the public prospers because he has something better to offer—whether it's quality, prices, service, or just a clean appearance and a pleasant smile.

Real competition doesn't come from punitive taxes, or subsidies, or any other sort of horse-race handicapping to make everybody in business start even. For it isn't equality that's needed; it's the inequalities that are the true measure of progress.

Real competition is the kind that encourages the manufacturer, the farmer, or business man to get his quality up, his costs down, and to develop new things his customers want. It's this kind of competition that produces something better rather than something just as good—that insures to the public a steady increase in the value it gets for its money. School Receives Certificate

The Jefferson Union high school was awarded a certificate by the U. S. Treasury department for obtaining 100 per cent of its quota in the Sixth War Loan bond sales.

Individual certificates will be awarded to more than 125 students who helped make the drive a success. Names will appear next week.

Speaker

Guest speaker for the assembly Tuesday, January 30, was Mrs. Mary E. Schmidt, executive officer of the Cadet Nurse Recruitment for the State of California.

Her speech was for the purpose of interesting both boys and girls in the profession of nursing.

March Of Dimes

The total amount contributed to the March of Dimes drive from Jefferson was \$66.16.

Receive Certificates

For having made a grade of 90 or above in an official Gregg theory test, the following girls will receive Gregg Theory certificates: Barbara Fellman, Verna Moresco, Rita Lozano, Mary Meyers, and Lois Rich.

Entertainment Committee

After the excitement of getting their pins dies down, the members of the Entertainment Committee will begin their plans for the "Cupid's Strut" to be held Friday, February 16.

Amusing signs and reminders are being posted in the halls already and tickets will be on sale by next week.

Good Luck, Seniors

(The following was written by a member of the Totem Pole staff at Jefferson):

"Once again we are ready to say goodbye to the out-going seniors. The seniors, too, are saying goodbye to the home of their education and fun for the last three and a half or four years. Many of the seniors will feel a pang of sorrow when their hard-earned diploma is handed them, for they know that the trail of school days is closing and that another trail—the trail of success or failure—is before them.

"Each senior will have to make the decision that will bring him success or failure: the choice of a profession. Guidance from teachers at Jefferson has greatly helped in this decision.

"Some of the boys think that, because of the turmoil on earth now, they will not have to decide on what they intend to do in later life. But opportunities such as the service gives can be acquired nowhere else, for there boys learn by doing various jobs in business, mechanics, and scientific research.

"To those boys and girls who are now graduating and going out into the world to make something of themselves in the future, we hope that the knowledge that you have gained here at Jefferson will help in making your life full of good luck and happiness forever."

Four Boys Pass Tenderfoot Tests

Four boys of Scout Troop No. 148 passed their tenderfoot tests at the Monday night, January 29, meeting of the group. They were David Belli, Gene Freese, Raymond Scocca, and Harold Varni. Mrs. Belli was present to pin the badge on her son.

The new troop now numbers 20, according to Scoutmaster Alfred Zwysig. It is planned to organize a Cub Pack in the near future.

Sunday, February 4, the Scouts will go for a hike in the hills. While out they will hold semaphore practice.

The boys are raising funds by collecting waste paper. Any resident with magazines, newspapers, or corrugated boxes to contribute to this purpose may arrange to have the material picked up by calling Scoutmaster Zwysig at Delaware 7296.

Troop No. 141

As a highlight of their observance of Boy Scout Week, February 8-14, Cubs and Scouts of Group No. 141 will give a banquet at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, Friday evening, February 9. Special guests will be their parents and local Scout officials. The boys will present an entertainment designed to illustrate Scouting and Cubbing to their parents.

Scoutmaster and Cubmaster Joseph Straughan is being assisted with arrangements for the program by Clifford Spriggs, in charge of musical numbers; Neil H. Edwards, chairman of the troop committee, who will act as master of ceremonies; Reverend D. C. McKisson, who will officiate as chaplain. The preparation of the meal will be handled by a group of mothers.

During Boy Scout Week, the troop will have a display in the window at McGraw's drug store, 6300 Mission street, and the Cubs will have an exhibit at Shannon's Hardware, Mission and Los Banos.

It's Good to DAYDREAM

...now and then!

Do you daydream now and then? It is a good release at times to drift out of the present and think ahead.

And perhaps you build a Dream Castle—His home and Yours?

Then you think of the peace and contentment of living in this gay, bright house. It is warm and cheerful with light. At supper-time you see yourself in the kitchen with a magical range cooking an entire meal automatically. In a roomy, big refrigerator is dessert. Your home freezer is full of good foods for the week ahead.

It is more than a daydream.

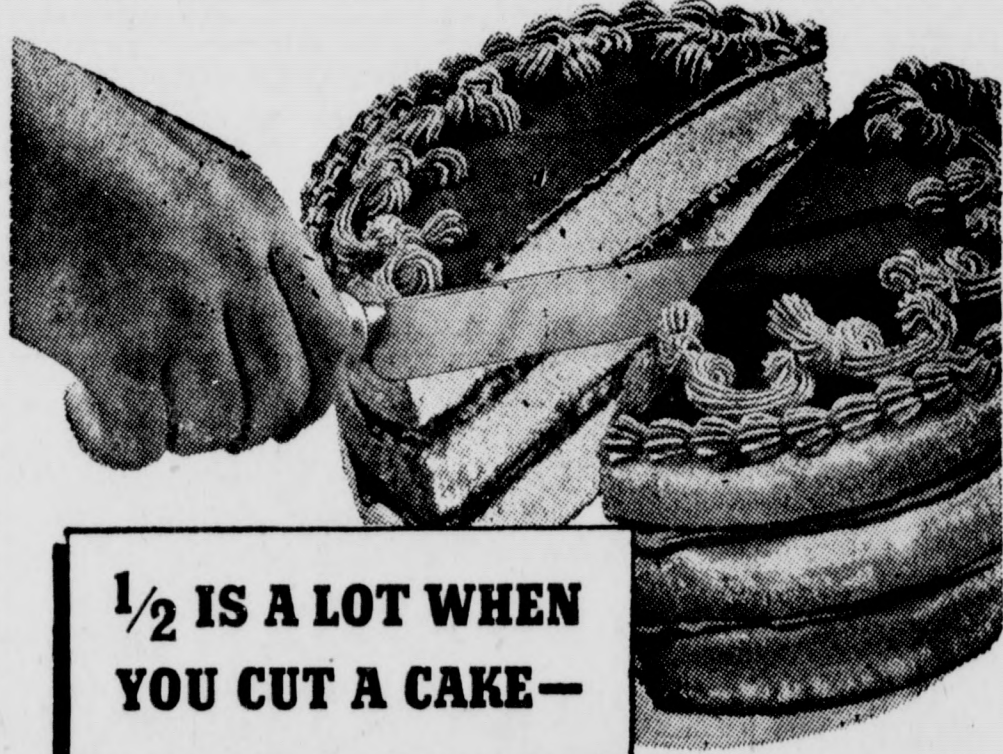

This is America where your hope of a fine new home can come true. It is a part of what has made this country a strong and vital and growing nation—the freedom and opportunity to see dreams turn into reality.

Lieutenant Freund has been flying with the veteran B-25 Mitchell bomber group since his arrival overseas in August, 1944. The B-25 group recently established an Air Force record for bombing accuracy when for three months an average of better than nine out of every ten bombs dropped were in the target area.

Currently, the Mitchell bombers are blasting enemy bridges in Northern Italy in support of the Allied advance into the Po valley.

Lieutenant Freund is the son of Mr. and Mrs. V. F. Freund, 199 Alexander avenue, Daly City.

The Army Service Forces have announced that First Lieutenant Ernest S. Parminter, son of Mr. and Mrs. E. T. Parminter, 299 Hillcrest drive, is back in the United States on furlough. He has served eight months in the European Theater of Operations with the Army Air Forces.

Parminter is a navigator. He received his wings and commission at San Marcos, Texas, January 15, 1944. His wife, Paula, also resides at 299 Hillcrest.

In November a report from a Liberator station in England told how Parminter was one of a crew which had been dropping bombs on France when airfields there were in the hands of the Germans and later dropping food supplies to the people of France when the Germans had been driven out.

Frank Silvestri, Daly City soldier, has been reported wounded in action in the European area. His home address is 33 Vista Grande avenue.

In April of 1944, Private First Class Silvestri was a visitor at the Daly City Record office. He worked here part-time while attending school.

Enrico Bertini, fireman first class, U. S. Navy, is now stationed at Tiburon in the Bay area. For the past 25 months he has been at San Diego. The change of station has made it possible for him to visit more often with his mother, Mrs. Yolanda Bertini, 220 Hillside boulevard.

"Hello, Mom! It's Me!"

Of all the Long Distance calls that go over our lines these days, none brings more joy than —
"Hello, Mom! It's me!"

So please do everything you can to keep the wires clear for returning service men, and for those in camps, especially from 7 to 10 each night.

AT WOODROW

The comparison of commodities produced by the different sections of the United States and how the differences have lead to domestic trade have been very stimulating to the pupils of Room 4.

The sixth grade has completed the location and coloring of maps of Europe and Africa. The particular locations were studied and discussed during the term.

The pupils of Room 12 found it very interesting to make maps to go with their social studies work. One group made maps of South

America, another group made maps of Australia.

Having finished its Social Studies unit on California, Room 14 is now studying about World Folks. Louis Meek, whose brother is in the South Pacific, has brought some very interesting Japanese money to school.

The teacher read the children the story of Hansel and Gretel and they are going to have a play built around this story.

Last week's art lesson in Room 15 was spent learning to show distance using one color. By using

one color the children discovered and saw more clearly how to make important objects in the picture stand out.

Of course it was more convenient when ham was something you just went into the butcher's and bought -- no troubles at all about meat shortages and points . . .

BUT THINGS ARE MORE THAN A LITTLE DIFFERENT NOW. The war makes demands on all of us. We are still better off than any other people on earth.

We want you to know that we are giving you the best service possible, the biggest selection of meats we can maintain under shortages.
